Indian Institute of Information Technology (IIIT) Chittoor, Sricity
Questionnaire for BTP-Progress Evaluation
Student Services Portal

Instructor:Dr.Uma Garimella

1. Describe what you have done in the last 3 weeks.

   We have done detailed database design, part of mess portal

2. How many times did you meet / talk with your faculty / guide?

   We met only once because of examinations.

3. How many papers / articles / technical materials have you read in the last 3 weeks?

   We started learning object-oriented language(python).

4. Provide a brief summary of your learning?

   We learnt how to apply principles of software development and object oriented language.

5. What development / programming / practical activity did you do in the last 3 weeks.

   We did part of mess portal.

6. How close/far are you from the milestone set by your Guide?

   We completed what was told to us every week.

7. What specific challenges are you facing/you faced in the last 3 weeks?

   Database design took a lot of time.

8. Propose your plan for the next 3 weeks; as agreed with your supervisor. It would be verified in the next round (Q1).
   After finalising the database design, we will work on the completion of mess portal.
